Cold Weather Reminders!

You may be enjoying the mild autumn weather now, but before you know it, temperatures will drop and it will be time to break out snow shovels! Here's how you can help our Road Crew during inclement weather:

- Keep vehicles off roadways so snow plows can clear the roads completely.
- When road conditions are poor, wait until the plows are able to salt and/or clear the roadways.
- Report debris in the road that could be hazardous to motorists especially in icy conditions.
- Be patient! The Road Crew works very hard to clear the roads, but it takes time.

If you have questions, please call 610-932-4072 ext. 301.
