[Chapter 9, section 108; Chapter 22, sections 402-21-H, 403-26-O, 506, 507, 703]

Fees submitted for subdivision and land development will be used to pay administrative, engineering, and all other fees incurred by the Township in processing the applications. The fees are composed of two parts: Application fee and Professional Services Escrow fee. The Application fee is non-refundable.

The applicant will be responsible for any reasonable expenses incurred in excess of the fees. Any monies remaining from the fees after all expenses are accounted for will be returned to the Applicant.

At no time shall the balance in the Professional Services Escrow fee drop below an amount that is twenty (20%) percent of the originally calculated required Professional Services Escrow fee. If the balance falls below the 20% amount, then the Applicant shall submit funds to bring the balance at or above the 20% amount. The Township will consider the project suspended (for required review time periods) until the balance is at the 20% amount or higher.

## WEST NOTTINGHAM TOWNSHIP FEE SCHEDULE

No preliminary plan or final plan, including supporting documents, will be submitted to the Board of Supervisors for approval until all charges and expenses are paid by the Applicant.

The term "public improvements" refers to an infrastructure improvement that must be constructed to the Township standards. Examples of public improvements include but are not limited to streets, storm water management structures (catch basins, pipes, retention ponds), public water and/or sewage systems, street light(s), sidewalks.

When a proposed project is composed of both a "land development" and "subdivision", the Application fee shall be the large Application fee that is listed under the "land development" or "subdivision" schedule of fees. The Professional Services Escrow fee shall be the total of the subdivision Professional Services Escrow fee (based upon the final number of lots) from the subdivision schedule and the appropriate Professional Services Escrow fee from the land development schedule.
